Davis Senior High School Athletic Program Donation Request

Fundraising is an important component of community support that helps enrich the Davis Joint Unified School District's educational athletic programs at every level. The Board of Education appreciates such contributions and encourages the participation of parents and community members in helping achieve the district's vision for student learning.

An important goal of fundraising is to secure equitable opportunities for all DJUSD students, regardless of ability to pay. The district has worked closely with parent groups to develop fundraising guidelines consistent with the laws governing public education and with state-recognized best practices. Offering the highest standards of athletic programs comes at a cost that cannot be completely funded by the school district completely. Each program has essential costs associated, of which are fund-raised for.

It is the goal of the DSHS Athletic Department to be as transparent for our parents and community regarding donations. It is our hope you will find this letter useful understanding the totality of the program you have chosen.
