-DHS PTA College Essay Reader Program

How it works: Students are invited to fill out the google form to request help with college application essays using this link: <https://forms.gle/pwtBCd2F8mhCAUFJ9>

Every essay will be read by two volunteers. Students may accept or decline all edits. Volunteers will focus their suggestions to provide feedback on content and word count. Students should resubmit the request form if they would like additional feedback. Depending on volunteer availability and volume of student requests, it may be possible for a PTA volunteer to review a subsequent draft.

The program began on November 1, 2023 and will continue providing feedback to essays submitted until November 30, 2023.
