I will at all times comply with California law regarding proper operation of the Vehicle, including compliance with all speed limits and posted signs and placards.
- I will not transport Students in a Vehicle I have reason to believe may be mechanically unsafe or that may become unsafe due to weather or other natural conditions. I will not transport Students unless I have a working seatbelt for each Student, with seatbelts to be used at all times by myself and all transported Students. The Vehicle(s) may be inspected by District representatives.
- I am over the age of 25 and will be the sole driver of the Vehicle for any given activity, event, or competition. I will not let anyone other than myself and authorized Students ride in the Vehicle. However, I may seek written permission from the District to allow another child of mine to ride in the Vehicle to a specific activity, event, or competition if the destination involves an activity, event or competition generally available to the public or, at my expense and with District permission, I can purchase admittance for such other child.

From district board policy 6153:

To be approved, a driver shall have a good driving record and possess at least the minimum insurance required by law. Any person providing transportation in a private vehicle shall register with the district for such purposes.
